

COLIN SMITH

With a career spanning over 20 years, Irish born Colin Smith has led a musical life as varied as it is impressive. With his former band *MrNorth*, while on RCA, they toured extensively with the likes of *The Who*, *Van Halen*, *Sheryl Crow* and *Journey* among many others. As a solo artist, songs from his two records have been licensed to movies and TV alike. Colin has been seen in live collaborations with *Alicia Keys* and has worked multiple times on *Saturday Night Live* as the featured vocal talent. Colin has been most recently seen touring with *Christina Aguilera*, duetting with her on the GRAMMY winning *Say Something* to audiences across the globe, as well as performing background vocals for the show. Colin splits his time between NYC and LA.
