

# SYDNEY MCSWEENEY

Sydney McSweeney's distinctive jazz, gospel, and pop vocal stylings have made her one of the country's hottest young vocalists. Her dynamic performances with the Columbus Jazz Orchestra have been described as "stunningly beautiful" and her standing room-only night club performances have become a favorite of audiences across the country. Although her schedule is jam packed with recording sessions and performances, as a devoted teacher, she still carves out time to nurture the talents of her many students.
